

## Elle Woods Parker

March 20, 2026

Elle Woods (Ellie), our beloved toy poodle, passed away on March 20, 2026 after filling our home with love, comfort, and quiet joy. We were fortunate to adopt her on February 23, 2024, from Silver Snout Senior Dog Rescue, when she was approximately 14–15 years old. Though her time with us was far too short, she made an immeasurable impact, proving that even a couple years can hold a lifetime's worth of love.

Ellie was happiest curled up beside her parents, Samantha and Joel, soaking in every moment of closeness she could. She had a deep love for food, a special fondness for her Squishmallow dog beds, and a gentle presence that made every day feel warmer. She is preceded in passing by her fur siblings Phoebe and Coby, and is survived by her human siblings, Sophia and Mason, as well as her fur siblings Kylie, Paisley, and Jack.

Now free from the limits of age, Ellie can finally see clearly, run without hesitation, and play like a young puppy again; no longer slowed down, only surrounded by comfort and peace. In just two years, she gave us more happiness than we could have ever imagined. She reminded us to slow down, to cherish the quiet moments, and to love unconditionally. She will be deeply missed and forever carried in our hearts.
