

Ellie Mae Shaw

July 20, 2020 - July 20, 2024

Ellie Mae ("May Days", "Mae", "Ticky Tock", "Pat Pat") Shaw was born on July 20, 2020, and passed on July 20, 2024. She is survived by her pet parents, Dustin and Lona Shaw; human siblings, Dusty Dawn and Levi Shaw; and pet sibling, Esmerelda Shaw; and Kim Wylie.

Ellie Mae's favorite thing was tearing peep holes in her blankets. Her favorite activities were exploring and playing with her Mom and Dad. She would fall asleep in her Mom's lap sucking her fingers. Her least favorite things were loud noises and people she didn't know. Her favorite place to sleep was in Mom and Dad's bed and on the couch.

Favorite memories of Ellie Mae: Cheese-It Crackers were her favorite; seeing her hippy hoppy self run back to her cage when scared. She loved ice and water to wash her hands in. Bringing her home and bottle feeding her every 2 hours. When she sat in your lap, she would pat your belly. She loved pockets and robbing people of their things. Mae was an inspiration and a joy to have. I lost my sweet baby too soon.
