

## Faith Fox

March 14, 2022

Faith (Faithers) Fox was brought into our family at 8 weeks old on February 14, 2011 and passed away peacefully at home on March 14, 2022. She is survived by her best friend and pet parent Lela Fox, human siblings: Sabrina, Brentney, and Emily; pet sibling, Bella. She is also survived by her grandma, Great-Grandma, Aunt Mel and many other friends and family who loved her dearly.

Faith's favorite toy was her green and blue monkey, named Baby. She also loved any toy that squeaked and loved playing fetch. Some of Faith's favorite activities included sunbathing, sleeping, barking at things not there, playing with Baby, baths, and always being the center of attention. You could always find Faith making herself comfortable in bed with her mom, sharing the same pillow and blanket.

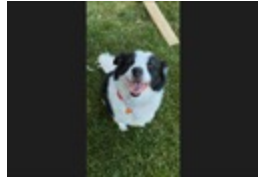

Faith was an important member of our family and lived the best life she possibly could. She lived such a happy and healthy life. Not only was Faith our family pet but she was also our protector, companion, and best friend. A few of our favorite memories with Faith is when she would get so excited for her mom to come home from college, she would jump and whine with excitement. She always looked both ways before crossing the street and never had to be put on a leash, because she never left our side. She loved matching outfits with her mom and always smiling for pictures. Like many

other dogs, she loved chasing squirrels up trees and sneaking pieces of food at dinner. Faith will forever hold a special place in all our hearts and leave an imprint on all those that she met.
