

Fenway Young

June 18, 2022

Fenway ("Fen", "Fenny") Young was born in November 2013 and passed on June 18, 2022. He is survived by his pet parents, Matt and Jennifer Young. Other family and friends are: everyone we know. There is not a single person or dog that met Fenway and didn't fall in love with him. He was an amazing dog.

Fenway's favorite toys were his pink hippo and anything that squeaked. His favorite activities were anything outside. Fenway loved to sit out in the driveway or lay on his bed. His least favorite things were getting his nails trimmed and when we would have to leave him at home alone. His favorite place to sleep was any of his four beds.

Favorite memories: Our bedtime routine: Fenway would go to his bed, at the foot of our bed and wait for his dad. Matt would "tuck" him in and then his favorite part was "the lovins". We would each spend 10-15 minutes tucking him into bed and giving him love. While I truly believe it was Fenway's favorite time of the whole day, I hope he always knew that it was also ours.

“ *Fenway, thank you for being my support animal when it was hotter than 1000 suns the day your humans got married and I had to stay inside out of the sun away from all the fun too. You were an awesome friend to watch tv with and gave me lots of love. When you're at the bridge waiting for Jen & Matt, please look up Charlie, Shelbie, Joey, Kiloh & Jasper. They will be happy to show you around and tell them that their Mama misses them! Thanks Fenway!!*

“ *Fenway you will be missed. You were such a good boy. Thank you for always being so gentle with everyone especially the kids. They all loved you. My favorite memory of you is the excitement you had when anyone visited. You greeted everyone with a proper sniff (Ha Ha) and hugged us in your own way because you were taught not to jump on people which was nice. The way you would cross your legs made you look so distinguished and you knew you were a handsome dog. I'm sorry I didn't get to give you a proper goodbye, but I know you are at peace now with no more pain. Love you Fenny!*
