

Finn Brittain

April 22, 2016 - April 6, 2020

Born in Sparksville, Indiana, on April 22, 2016, Finn Brittain became a loved member of his family on July 31, 2016. Finn was also known as FinnBin, Finnster, Bubbie and babiedog.

His pet parents, Russ and Martha Brittain, shared some wonderful memories of their boy. Finn loved to hang out with his human brothers, Jackson, Carson and Reece, in their room watching TV or while playing PS4. His family loved how Finn would greet them at the door and how he would wait for them at the top of the stairs before going down.

Finn loved belly rubs! His little left ear would always manage to flip back. Or how, no matter where he was in the house, he could hear the peanut butter jar open, apples being sliced, or the refrigerator being opened for cheese and carrots.

Finn enjoyed playing with his stuffed pizza and dinosaur toys. Car rides, walks and basking in the sun were some of his favorite activities; trips to the vet and baths were the least favorites, of course. And the best place to sleep was with his mom and dad.

In addition to his pet parents and human brothers, Finn is survived by his pet sibling, Scout, a Lab mix. He was preceded by Max, a bearded dragon. Other

family and friends include a multitude of dog cousins, human cousins, and aunts and uncles.
