

Flora Misner

February 5, 2024 - January 21, 2026

Flora Misner was born on February 5, 2024; and passed on January 21, 2026. She is survived by her pet parents, Cathy and Tony Misner; pet siblings: Charlie, Dexter, and Emma.

Flora's favorite toys were anything she could chew on. Her favorite activities were playing with her brothers and sister. Her least favorite thing was dinner. She loved treats - not so much food. Her favorite place to sleep was in bed with Mom & Dad.

Favorite memories of Flora: The way she screamed. She didn't bark very often, but would scream to be picked up. She would jump higher than any of our other dogs.
