

## Fluffy Koons

September 20, 2003 - August 11, 2022

Fluffy ("Flufferz", "Kiki") Koons was born on September 20, 2003, and passed on August 11, 2022. She is survived by her pet parents, Angela and Eric Koons; human siblings: Morgan, Jake, Grant; pet siblings: Stormy (dog), and Rosie (cat).

Fluffy's favorite toys were cat nip and a laser pointer. Her favorite activities were napping, eating wet cat food, being bathed and brushed. Her least favorite thing was Rosie wrestling with her. Fluffy's favorite places to sleep were the bed, couch, on blankets, in boxes, on papers, and under the Christmas tree.

Favorite memories of Fluffy: From the first day bringing her home in 2004, I remember instantly falling in love with her, and her being by my side since then. She'll be in our hearts and memory for all time, and dearly missed.
