

## Georgia Ann Blair

November 26, 2011 - May 2, 2017

Georgia Ann "Momma" Blair, 6, passed away on May 2, 2017. She was born on November 26, 2010.

She was very playful, and liked to play with any type of ball. She also liked to lay on the couch, go for car rides with Dad, and to just spend time with her family. Her favorite place to sleep was in her mom and dad's bed, and she loved to eat whatever they were eating.

Georgia Ann is survived by her loving parents, Brian and Jennifer Blair; son; Petey; and pet siblings, Jake, Chesney, Kenzie, and Harley. Also surviving is her nana, Kathy; papaw, Mike; uncle, Tim; cousin, Tia, and special Aunt Kym, Zippy, Chief and Lexi.

"Georgia Ann was such a sweet girl. She loved snuggling with us and Chesney. She was always there to greet you when you walked through the door with that boxer "wiggle". She ruled the house and everyone in it!"

“ Oh momma girl- there are so many memories that you made for us while you were here that I will always cherish! The first and most important one is giving us your babies to love- those babies have given me all of the same love that you gave your mommy and daddy! And by the way your memory will never dim at our house because Miss Lexi is a spitting image of you and we would not want her any other way! I will also never forget how when I would come to visit you would sit right beside me and sometimes right on me and not let any of the other dogs come near me! I think the funniest one ever was when I brought a date to your house and you absolutely did not like him and would barely let him in the house and of course we trusted your judgement and he did not get invited back!!! And the sweetness of watching you give birth to your precious babies and how you took care of them so well will never be forgotten! I can guarantee that you were loved by everyone that met you and especially your mommy and daddy! I love you sweet baby girl and please don't bully my poor Brutus up there 💕💕💕💕💕

“ You are my baby girl Georgia Ann you brought so much joy and love to our lives. When you left us you took a huge piece of my heart with you. I will always cherish the memories we have of you. I just know that Bentley was there to greet you at the Rainbow Bridge. We love and miss you so much. Until we meet again forever in our hearts.

Love always  
Mom and Dad
