

Gidget Aisy Enochs

September 17, 2025

Gidget, if life did one thing right, God brought you to us full of love and joy as a puppy. You were so full of love, barking and just being my Boo-Bear and I was your Yogi. Oh Boo, 17 years long. The only wish is that you lived longer. You brought so much joy to my Mom, your Grandma, with the yogurt. You two became a bond that no one could break. Gidget, go, run free to the Bridge. I know this is temporary.

We Love You Forever,
Mommy, Daddy, Little Lilo, Johnny, Bella

In death, Daisey, Casey, Mickey, Sophia, Jacob, Lexi, Etta, and Uncle Max
As well as Grandma Annemarie, Grandpa John Neeley, Grandma Audrey
