

Ginger Noelle Teegarden

October 15, 2007 - April 14, 2021

Ginger Noelle Teegarden, a full-blooded Cocker Spaniel, was born October 15, 2007; and passed away April 14, 2021, with her parents by her side.

She is survived by her human parents, Susan and Alvin Teegarden. Ginger was a Christmas gift to mom Susan from daughters, Savannah Whitlock and Donna Teegarden. Her siblings are Savannah, Donna, Holly, Hilary, and Clinton. Also surviving are her beloved Uncle Dean and Aunt Judi. Ginger was preceded in death by her best friend Boomer, a Jack Russell Terrier.

Ginger's favorite activities were eating and sleeping. When she was younger, she loved running outside with Boomer. Ginger's least favorite activity was getting her haircut; however, she loved how it felt afterward. Ginger had a special bed in the living room, but her favorite place to sleep at night was in bed with mom and dad.

We have so many wonderful memories of Ginger. She was so full of love and was such a special member of our family. She is terribly missed and we will forever have a hole in our heart with her gone.
