

Gretchen Rose Compton

August 16, 2008 - April 8, 2023

Gretchen Rose ("Gretch", "Gretchy", "Lil Graychin") Compton was born on August 16, 2008, and passed on April 8, 2023. She is survived by her pet parents, Rick and Helen Compton; and pet siblings, Bocephus and Linus. She was preceded in death by her sister, Kailani.

Gretchen's favorite toys were a tie-dyed mouse (her baby), Pepperman and Nannerman. Her favorite activities were carrying her baby in her mouth, rip roaring through the house, and eating bacon. She loved to play. Her least favorite thing was when Mommy & Daddy leave for work. Her favorite place to sleep was on her blanket on the table, sunshine, or anywhere with Mommy & Daddy.

Favorite memories: Gretchen was the matriarch of this family. She didn't know a stranger, wanted to be in the middle of anything going on, being rolled with the lint roller. She just wanted to be anywhere we were. She loved drinking water out of the kitchen faucet. Too many memories to list. :(
