Gus, also known as, Gus Bus, Gustopher & G-Man, was born April 9, 2008 in Muncie, Indiana.

His favorite activities were sleeping, eating Mac & Cheese!, walks, going to the "Dog Park"..... and sleeping!! His favorite sleeping spots were, next to Mommy, the couch and in bed. His favorite toys included the eyes from stuffed animals and raw hide chews. One activity Gus did not enjoy was bathing!

Gus has given us so many wonderful memories, including, homecoming, campus walks, PetSmart visits, lap sitting, drooling, head shaking, parades and cleaning walls because of slobber. LOL He was everyone's friend!
