

# Harper Louise Moore

March 17, 2026

Harper Louise Moore, lovingly known by many nicknames including Little Guy, Tootie, Baby, Boo boo, Booeey, Harpie, and Harp, passed away on March 17, 2026.

Harper came into the Moore family's lives on Christmas of 2011, and from that moment on, he became one of the most special parts of the family.

Harper was more than just a pet—he was truly family. He was deeply loved by Kevin, Kerry, Abby, Will, and Lily. He also held a special place in the hearts of Nana, Grandma Lovey, Grandpa, Rachel, and so many others.

Harper lived a life full of love, adventure, and memories. He was our dog who went everywhere with us—traveling on hockey trips, going to Florida, Michigan, and spending time at our lake house. No matter where we were, Harper was right there with us, a constant part of every moment.

He loved going on walks, being around his family, and more than anything—he loved food. His favorite toys, including Mickey, his little yellow duck, and his frog, were always close by. While he wasn't a fan of swimming, baths, vet visits, or haircuts, those little quirks just made him even more lovable.

Harper loved resting on his bed and being near the people he loved most. He

had a comforting presence and a way of making everything feel better just by being there.

For 15 years, Harper gave us unconditional love, loyalty, and countless memories that we will carry with us forever. He wasn't just part of our lives—he was part of who we are. We are so grateful for every moment we had with him. He will always be missed, always be loved, and never be forgotten.

Run free, sweet Harper, until we meet again
