

Heidi Schmitt

October 14, 2012 - February 24, 2026

Heidi ("Sis - Sissy") was born on October 14, 2012; and passed on February 24, 2026. She is survived by her pet parent, Christy Schmitt.

Heidi's favorite toys were a squeaky ball and Hedgie. She loved to be outside. She loved to ride in the car no matter what the distance. Heidi was not a true fan of her spa days. Her favorite place to sleep was in whatever room I'm in.

Favorite memories of Heidi: How much she grew after adopting her. She was my ride or die. How carefree she was, and as age took hold how she would still try to act young.
