

## Henry Barbar

August 21, 2024

Henry was adopted over Super Bowl week in 2012 from the Kokomo Humane Society. We said goodbye on August 21, 2024. Henry was a part of the family from the very beginning. When I went to the Humane Society that day and he came around the corner, he immediately came to me and said hello! His bright dark eyes were always so happy when he would see his family. He loved to sit on his hind legs and "beg" - mostly to be petted but lots of times for bacon treats! His human sister, Maddie, taught him how to jump through a hoop. His favorite game was racing full tilt around the yard while Mom chased him, stopping on a dime and then racing away as soon as I got to him. Poor guy hated storms and would sit wrapped in a blanket by me, shivering until the last thunderclap. As someone who had always been afraid of dogs, he's the only dog I have ever been able to say that I truly loved and he taught me I could love dogs. He kept our feet warm at night. We all miss our buddy.
