

## Hoosier Arvin

June 6, 2023

A little dapple dachshund came into this world in November 2008. She would be called Hoosier, but had so many nicknames including Hoosier Marie, HM, Peanut, Pookie, and Hoo-Hoo. She crossed over the rainbow bridge on 6/6/2023. She is survived by her Moms Kim and Karen. Preceded in death by dog sisters – Jo, Snicker and Daisy Duke. While she missed her sisters she LOVED being the only dog.

Hoosier was small but mighty and didn't fear much. Rumor has it she was wanted in Colorado and Indiana for allegedly winning fights against a chicken, rabbit and a lizard. She did lose to a porcupine and had to take a trip to the vet to remove needles from her face :0

Her favorite activities included sleeping, watching Court TV with Mom Kim, stealing blankets and staring at you until you moved from the spot on the couch that she wanted to be. She could sleep anywhere but human bed was her favorite.

She will be dearly missed. Run free little one
