

## Itsy Bitsy Owen

September 19, 2009 - January 29, 2018

Itsy Bitsy Owen was born on September 19, 2009 to Mini Rex & Sugar Pie, in Goldsmith, Indiana. Her parents picked her up in December of 2009. She instantly became a loved member of the family. Her small size earned her the nicknames Bitty, Bitsy, and Itty Bitty. She passed away on January 29, 2018.

Bitty did not play with any toys besides her bear squeaker, which she carried around like her baby. She loved going outside, giving kisses, car rides/going 'bye bye', begging for food, and visiting the neighbors' dogs. She did not enjoy being dressed up for Halloween, or her brother Diego. Her favorite place to sleep was cuddled up in our laps or at our feet. She loved stealing french fries and her bacon dog treats.

Some of our favorite memories of Bitty that we cherish are; her fluffy nappy hair behind her ears & on her feet; riding on our shoulders during car rides, so she could see out the windows; jumping in car seats to sleep with babies – when Bentley was brought home from the hospital or when any babies visited;

being scared of her water bowl, where we'd have to hold it for her to drink from because she would definitely let us know by her continuous barking until we did so; and most missed, her being so excited whenever we came home & greeting us with a wagging tail.

Bitty is survived by her human family; parents Zach & Olivia, brothers Michael & Bentley, aunt Sadie (companion Josh) & cousin Aubrey, grandparents & great-grandparents; and her pet family, brother Diego, sisters Holly & Abby, and cousin Meatball.
