

Izzy Boyd

March 21, 2009 - December 12, 2024

Izzy ("Izzy Jean") Boyd was born on March 21, 2009; and passed on December 12, 2024. She is survived by her parents, Aaron & Sharon Boyd; human siblings: Tori, Tyra, Ra-Shaun; and pet sibling Gino. Other family members are Ian, Ella Mae & Mylo.

Izzy's favorite toys were tennis balls. Her favorite activities were walks with mom, one summer she walked 136 days in a row. Car rides for errands, cheeseburgers and ice cream from Dairy Queen. Manning the grill with dad. Her least favorite thing was she hated to have her picture taken. Her favorite place to sleep was beside Dad's chair with him or on her very own couch.

Favorite memories of Izzy: Our family loved to watch her take off as fast as a bullet & one time she even caught a squirrel and brought it to dad as a prize hunted!
