

Jack Daniels

April 9, 2019

Our dog named Jacks Daniels was an amazing, perfect dog. We hesitate saying “perfect”, because every dog we have had that has passed over was a beautiful loving dog (Payton, Blackie, Angel, and Buddy) but, there was always something special about our Jack, a long haired black retriever. Jack was a stray that became part of our family in December 2010. Jack never knew a stranger. He loved all people and he loved all animals’ cats, dogs, rabbits, squirrels, etc. Any dog that would try to razz him, he would turn his head and ignore them. He was so sweet and docile. He loved to go “Bye-Bye and see Doggies” in the country. Daily, his doggie sisters and brothers would lick his face and mouth, they adored him. Until he was diagnosed with cancer, he even enjoyed going to the Vet – it was a way for him to see other dogs and interact with them. On April 9, 2019, we decided that it was time for him to be in heaven with his sisters and brothers, he was 10 years old.

Jack, please know that you will forever be missed and that we have your ashes and picture in a locket resting near our hearts. One day, we will again be a family and be with you, along with your loving sisters and brothers. Know that you are in our nightly prayers, as are your siblings. Your will always be in Mommy and Daddy’s heart. Jack our love for you is endless.
