

Jasper Jones-Miller

March 28, 2024

Jasper ("Jap", "Japper", "Jappy", " Happy Jappy") was adopted on November 10, 2019; and passed on March 28, 2024. He is survived by his pet parents, Ethan and Megan Miller; human sibling, Corbin Jones; and pet sibling, Millie. Other family and friends are Mariah, Jennifer and Jim Miller, Shelby Scofield, Demez Jones, Jonice and Wayne McCord.

Jasper's favorite toy was a blue spikey hollow ball or a deflated basketball. Her favorite activity was to play fetch anywhere, anytime. Whether it was a ball, a Frisbie, or a stick, if it could be thrown, he would retrieve it. He was always ready to play. He would always get excited to leave the house for walks or car rides to the point he would almost run over us in the doorway leaving.

Favorite memory: A few years back at Dale Hollow Lake, a place we as a family frequent every summer. There is a particular rope swing in a cove we visit quite often that he was very determined to swing from one day. He would jump out of the water repeatedly until he would tire out. But finally, he jumped and grabbed ahold of the rope and wouldn't let go until he was fully satisfied, that he had conquered said rope with great success. Everyone crowded around him and cheered him on the whole time!

Jasper Jones-Miller passed away unexpectedly on March 28th, and we

believe he was no older than 8 years old. We are planning a memorial at (The Millers) by planting a tree with his ashes in his honor on April 13th. Jasper was loved by everyone he encountered, and he had so much love to give. He was 100% certified good boy and anyone who knew him would agree! He was one of the greatest, we were honored he chose us to be his humans and we will see him again on the other side!
