

## Jojo Jones

December 3, 2023

Jojo ("Houdini Dog") Jones was born in November 2015, and passed on December 3, 2023. She is survived by her pet parents, Nate & Courtney Jones; human siblings: Kinsey, Kelsey, Coleson, Cameron, & Kayley Jones; and pet sibling, Angel. Other family and friends are Papaw Dave, Mimi & Papaw Billy, and her siblings' friends.

The four wheeler was Jojo's favorite "toy" (she loved riding on it). Her favorite activities were playing with her family, eating sweets (she loved candy, cakes, & ice cream), & taking walks. Her favorite place to sleep was under Mom & Dad's bed (usually right under dad).

Favorite memories: Baby talking to her and getting her all excited and vocal, watching her mother a litter of newborn kittens, seeing her big ole smile whenever she played with the kids, rode the quad, or got to go bye bye, and how she'd sit and stare you down anytime you had a snack that she wanted a bite of.
