Jonah's favorite toy was the Blue Bunny. He loved being with family/people, riding in the car, chasing squirrels and going on walks. His least favorite thing was to be alone. Jonah's favorite place to sleep was with Mommy and his favorite foods were peanut butter and vanilla ice cream cones.

Jonah loved playing on the dog beach in California and was thrilled to be the ring bearer in Mommy and Daddy's wedding. Mommy and Daddy loved coming home to see his face and wagging tail waiting for them, watching him chase squirrels and geese, eating ice cream cones and taking him to nursing homes to visit the residents.
