Julietta Maria Enochs

-Etta-

Etta was a fun loving beagle. She was found running with a pit bull and actually her owner didn't want her, so Etta became a part of my family. I went back to the dog pound and got her back, brought her home to live the best life she could have had. She was preceded in death by her brother, Mickey Mouse; sister, Sophia Marie; other brother, Jacob Alan; sister Lexi, uncle Max a Million; her Grandma Annemarie Neeley & Grandpa John Neeley; Grandpa Shirley Jennings & Grandma Aurdery Jennings.

Etta was the best hound dog you could have asked for. If you had Lee's liver and gizzards or any chicken nuggets, you had Etta's attention.

Run free my Etta, you're at the Rainbow Bridge until I see you again my beagle.

We will miss you,

Mommy, Daddy, Little Lilo, Gidget Boo-Bear, Johnny, Bella, Cocca

We love you. Our family chain lost a link.

Till we meet again my precious beagle
