Keisha Johnson

birth unknown she came to me as a rescue at the age of 13, and deaf. Just perfect for me. We bonded immediately. Keisha had such style, and grace with piercing big blue eyes. She didn't walk, she pranced, lifting her front feet high while her hair flowed in the wind. It always made a beautiful picture. Everyone who met her was in awe of how beautiful she was.

Being deaf, she never barked, but if she wanted my attention, she would yodel. What a funny, happy sound it was. Keisha was so well mannered and gracious to all.

Everyone loved her. Nobody stayed a stranger to Keisha, animal or human. Keisha loved sitting outside with her fellow dog friends, Maggie, and Roxie. as well as her human friends. She also loved helping me with the occasional orphan baby kitten that I would bring home from work. Keisha would cuddle them deep in her fur and sleep with the orphans and give them kisses.

I have been told repeatedly that Keisha's best days were spent with me, but the truth is, she was the real blessing for me. I miss her terribly, but I know I will see her again.....on rainbow bridge. Love you Keisha
