

Kiki Franklin

November 22, 2025

Kiki Franklin crossed over to Gods Heavenly Rainbow Bridge November 22, 2025.

Summer of 2015 she showed up to our house and picked a 8 year old little boy named Zachary to be her forever person. She would come running out of the wood work when that little boy would call for her but for no one else. After a year of sticking around and her allergy diagnosis she became an official inside house cat and claimed that little boys room as her own and only came out if he had been gone to long.

The only time she had anything to do with anyone else was if she needed or wanted something and her boy hadn't got it for her yet then she would meow "yell" at her little boys parents to tell on him.

Kiki loved to sun bathe, play with toys (in her younger years), her catnip, and play video games with her boy. She was a great hunter and would bring her trophies to the front door (of course this was before becoming a house cat).

She is missed dearly by her now grown boy Zachary and his parents, Aaron and Ashley, Fur siblings: Cat: Ricky Bobby, Dogs that she would not associate with: Yuki, Benjamin (reason she didn't associate with the others), Junie, (wanted to play with Kiki but she would only look at her threw the gate), and

Amari Franklin.

Greeting her at the Rainbow Bridge is her fur siblings that she did associate with Dogs: Sadie Mae, Jack Jack, and Chance B. Cat: Sissy Franklin

Kiki you were the best little kitty and we all miss you so much. Enjoy yourself at the rainbow Bridge, this isn't goodbye but just a see you later! We would like to thank Care Animal Hospital for seeing us so quickly unexpectedly and their compassion.
