

King Fernandez

January 6, 2016 - April 11, 2022

King Fernandez was born January 6th 2016, unexpectedly passed away on April 11th 2022. He is survived by his parents, Eric Fernandez and Candist Wheeler; sister Gianna, and dog brother Bentley; along with all of the friends and family that he considered his family.

He was a lover of every dog and cat that was around him whether he was visiting a friend at their house or while he was at doggy daycare. He was the true definition of gentle giant. He loved to eat, loved all snacks and took every opportunity to share food with his human parents. He was firm believer that everyone needed a good lick of the face. Enjoyed playing tug of war with his dog brother when he had the energy. Loved taking car rides and being able to hold his head out of the window as he would get all of the looks from people who rarely get to see such a big dog. Favorite night activity was laying in bed with his parents while he snored his loudest making his mom wonder how can one dog snore so loud while dad was sleeping peacefully.

King leaves a big hole within the household but his human parents keep his memory alive and will never stop talking about him.

We miss you big fella.
