

## Kramer Jones McClish

June 10, 2004 - October 4, 2011

Kramer Jones McClish departed from his earthly home to go to the Rainbow Bridge. He was born on June 10th, 2004 and was put to rest on Oct. 4th, 2011 from bladder cancer. He will be deeply missed by his family; Chris and Don McClish, Dylan and Taylor McClish, and his fellow buddies, Chaz and our ferret Rascal; and also missed by his cousins, Mary Lou, Shelby Lynn and Brittany Nicole.

A big "Thank you" to Dr. Baker and Dr. Frazier for taking such great care of Kramer during his sickness these last four months. Kramer-You will never be forgotten but always remembered for your love and comfort that you gave us for the last 7 years.
