

Kuper Blue Fort

July 19, 2010 - May 8, 2022

Kuper Blue ("Kupes", "Puppy", "Kuper Duper") Fort was born on July 19, 2010, and passed on May 8, 2022. He is survived by his pet parents, Mike and Laura, and human siblings, Shelby and Taylor. Other family and friends are Aunt Debbie, Nana, and Papaw.

Kuper Blue's favorite toys were his bone, socks, and slippers. His favorite activities were playing catch, going on walks, rolling in the grass, and then just laying in the sun. His least favorite things were being in a crate and going to the vet.

Favorite memories of Kuper Blue: At age 4, Kuper and the girls were playing in the neighborhood. A boy riding his bike kept hitting Kuper with his tire. After a while, Kuper had enough and he bit the bottom of his shirt, yanked on it, and almost pulled him and the bike down. After that, he never bothered Kuper again.
