

## Lad Ulicne

March 18, 2002 - August 18, 2017

Lad "Laddie" Ulicne was born on March 18, 2002 in Hazelwood, IN. He lived with his loving family in Alexandria from the time he was 8 weeks old until his death at 15 years & 5 months old.

Lad was a beloved family member, & he can never be replaced. He was the best boy anyone could ask for! There are so many great memories he left behind, & he will be greatly missed. Life has been extremely difficult for his family without him around.

Lad was always smiling; he had a great life with a very loving family. He enjoyed having his picture taken, & he knew he was beautiful! During his earlier years he barked at almost anything that made noise, & would chase anything that moved! He had a big fenced in yard that he would race all around chasing whatever caught his attention!

Lad battled many skin related issues from an early age, but he never let them keep him down! This year he developed recent health issues that unfortunatley took him away from this world. Even though he lived a very happy life, it's never long enough. We wanted him to live forever with us! Lad will be missed more than words can say, & we will never forget him. He is no longer in pain.

Surviving are Lad's loving family members: Mark, Sandi, Alena & Nadia
