

Lazarus Stroud-Conley

February 5, 2022

Lazarus; I remember like it was yesterday...

Yesterday was a beautiful sunny day. It was warm and loud outside. The neighbors kids were jumping on a trampoline. Nothing special one would think, if... If there wasn't a dog jumping up and down with the kids on the trampoline. It looked hilarious and it seemed almost like the dog had more fun jumping up and down than the kids. It was the first time we laid eyes on the most strikingly beautiful little dog we have ever seen in our lives. Lazarus. He must have been at least a year old then, and right, he was owned by the kids family next door. Fast forward to some time later and we had the privilege of adopting that most beautiful dog in our eyes, due to changes life changes in his family.

Lazarus a dog that was full of energy but at the same time was loving and caring. We had a whirlwind in our life.

Sadly in the early hours on February 5th 2022 at 4.30 am our sweet and loving Lazarus suddenly passed away at his home. He had been sick for several weeks, but miraculously recovered and immensely enjoyed the company of his fabulous new human friend Kris Kordić for the following several weeks. Lazarus was 16 years old when he passed away.

He is survived by his pet parents Shawn Stroud and Jeffery Conley; his baby

sister Sabrina, his special friends Elizabeth Stroud, Ruth Richards and Kris Kordić.

Lazarus will always be remembered as the perfect gentleman, as he would always step aside and let his sister Sabrina take first choice. Lazarus was loved by so many, not only by his family. Our neighbors adored him and didn't fail to pet and give him and his sister treats.

Lazarus: the most strikingly beautiful and smartest dog ever. He will be deeply missed but never forgotten. He will be in our hearts and thoughts forever.

You are loved so much,
Bon voyage Lazarus
