

## Lilly Boham

October 9, 2022

Lilly ("Lil", "Hill Billy") Boham was born in 2005 and passed October 9, 2022. She is survived by her pet parent, Budnita Boham; human siblings, brother Johnny Boham and sister-in-law, Ashley Boham; pet siblings: Coco, Timmy, Thomas, T.T., Tami, Monkey, Prestina, CC, KK, Butter, Bella, and Smiley. Other family and friends are Grandy Carol, and Best Friend Toby.

Lilly's favorite toys were her scratch pad and foxy rattle. Her favorite activities were jumping in the window, climbing the cat tree, and running up the steps. Her least favorite thing was having her nails done and going to the vet's office. Her favorite place to sleep was in front of the window or on her bed.

Favorite memories: Lilly liked to be a rough house and if she knew one of her siblings did not like something, she would try even harder to do it. She loved being petted and being told how pretty she was.

Lilly was a beautiful soul, she loved to play and didn't let anything slow her down. She was a young 17 year old. No matter how much time we would have spent it would not have been enough. We were blessed when we got her and blessed when God did not allow her to suffer. Rest easy, Princess Lilly. Love you always. Xoxo

JO

“ *Lilly, we love and miss you so much! I wish I could have spent more time with you before you passed, but I will always cherish the memories that we made together. Even now I wish that you were lying on my chest again and watching television with me. I also miss seeing you jump on the bed and mew any time I entered the room; or, waking up next to the pair of socks that you loved to play with and share. But, what I miss the most is you reaching out with your paw and touching my face.*

*We Love You Princess!*
