

Lilly Pablo

February 11, 2010 - August 15, 2020

Born on February 11, 2010, in Loveland, Ohio, Lilly Pablo crossed over The Rainbow Bridge on August 15, 2020. She was the beloved fur baby of Fritzi Pablo.

Lilly had several nicknames given to her: Lillita, Little Girl, Little Princess and Lilucha Pelucha. She had two favorite toys, a mini squeaky soccer ball and a Kong with peanut butter.

She enjoyed many activities like walking at the park, laying outside when there was a cookout, laying on the leather couch, snuggling with her blanket and laying on the bed. Her not-so-favorite thing to do was take a bath!

Lilly loved to sleep on her memory foam Serta bed or on her pet mom's bed. As Fritzi shared, "Among my favorite memories are having her as my little companion throughout her life. I have too many good memories that will be cherished forever."

In addition to her pet mom, Lilly is survived by Eremey and Elena Pablo.
