

Little Girl

July 9, 2013

Our beloved Little Girl passed away on July 9, 2013. Little Girl who was also called "Baby Girl", "Gwell" blessed us when she joined our family in November of 2004. She is survived by her parent Tia Baker, her siblings Kendra Milliner and Austin Baker, her pet siblings Spottie, Rico "Boo" and many other relatives that loved her dearly. Little Girl loved to play with any ball she could find and loved playing with her brothers and sister. She loved to snuggle with all of us especially with her mommy and her favorite pink blanket. Her favorite places to lay were in her favorite chair and in mommy's bed. She loved to greet you at the door and take your shoes off so you would stay. She would get excited when it was time to go bye-bye. She would start running around in circles until you put her harness on. She has forever changed our lives and it will never be the same without her. Little Girl's sweet and innocent spirit will remain in our hearts forever. We love and miss you tremendously Little Girl and we will see you again...

“ *Little Girl, I still can't believe you aren't here with us, waiting for us to get home. I didn't know that day was going to be the last time I saw your face. You were going to the vet, but I was for sure you were coming back. I love you soo much, and at least you aren't in pain anymore. Love you*

“ I remember when I saw you crossing a busy road barely avoiding getting hit. I quickly pulled over & picked you up. You were so "Little" and precious! I wondered if I was going to be able to keep you and brought you home to your new family. You were welcomed with open hearts & arms. You brought so much joy & love into the lives that you touched. You will forever be loved & missed.
