

Lola King

November 14, 2008 - April 23, 2020

Lola King, beloved fur-baby of Torin and Kimberly King, left us on April 23, 2020, after a tough fight with heart disease. We were so fortunate to be quarantined and spend extra time together at home during her last month of life. Lola was born on November 14, 2008 in Rochester, Indiana, and came to be with us in January 2009. She was a spirited, bossy and snuggly little girl; and her favorite activities included barking at evil squirrels, taking “sunny naps,” playing ball, visiting with “Gramma” and “Grampa,” and destroying stuffies.

Lola loved being an only child and getting all the snuggles from her mom and dad. However, one day in November of 2016, a tiny human named Everett came to live with her. While she was not so sure about Brother to begin with, they grew to love one another over the next 3 years, especially when he gave her snacks. They loved to play ball together, pop bubbles and run through the yard.

Our sweet girl brought us such joy and comfort during her time in our lives, and she will be missed immeasurably. We are so fortunate to have loved her and made such sweet memories to carry in our hearts.
