

Luna Farmer

January 28, 2022 - May 18, 2022

Luna ("Luna Bug", "Scoob", "Lu Lu") Farmer was born on January 28, 2022, and passed on May 18, 2022. She is survived by her pet parents, Harley and Jordan Farmer; human sibling, Jasper Farmer; pet siblings, Joker and Wilbur (brothers), Saidie and Hadley (sisters). Other family are Uncle Terri and Uncle Rowen.

Luna's favorite toys were her lamb chop, her sausage, and her blankie. Her favorite activities were playing tug of war with her siblings, paw massages, and cuddling with mom. She hated being out of sight from mom. Her favorite place to sleep was at mom's feet, or on someone.

Favorite memories of Luna: She always had to make sure mom was okay when dad was fixing her back. She was the most loyal, selfless, and brightest soul I've ever met. To know her was to love her. In her short time with us, she brought so much joy and love in any way she could.
