

Madison Indiana Balvin

July 1, 2023

Madison Indiana ("Baby Girl") Balvin was rescued and adopted in November 2011 (12 weeks old), and passed on July 1, 2023. She is survived by her pet parents, Darren and Peggy Balvin; human siblings Alex and Ty; pet sibling, Trace (little brother). She was preceded in death by her big brother, Lucky Chunks.

Madison's favorite toy was her stuffed animal, Lamb Chop. Her favorite activities were laying in the sun, playing and snuggling with her fur brothers and humans, and getting her belly rubbed. Her least favorite thing was thunderstorms. Her favorite place to sleep was in bed with mom and dad.

Favorite memories: When we first saw Madison at the the rescue center, she instantly stole her dad's heart. She climbed in his lap, pulled his beard, licked his face, then put her head on his chest and batted her pretty brown eyes at him. He said, "She's mine. I'm taking her home." From then on, she stole our hearts and knew if she wanted her way, all she had to do was look at you with her beautiful brown eyes and she would get it. She was a very good, sweet girl that loved everyone she came in contact with, and everyone loved her. We will miss our baby girl, and she will forever hold a special place in our hearts.
