

Maggie Hinson

January 1, 2009 - June 28, 2016

Maggie was adopted from the Madison County Humane Society in 2009, and passed away on June 28, 2016. Maggie's family included her parents Janet and David Hinson, siblings Julie Hinson and Alex Warren, as well as Colt, Rusty, Addie, Heff, and Penny. Maggie enjoyed spending time with her mommy and being in the sun. She was very fond of remote controls, but was not a fan of storms. She would lay anywhere that was comfortable, and enjoyed eating all types of things. Maggie was always an excited dog and would always greet her family at the door. She was particularly excited in the morning for breakfast.
