KH

“ Oh my goodness this boy! First meeting, as a BABY, he climbed straight up onto the counter so I could get a really good look at him! Later, we'd visit when Tabby came for her massage appointments. Magnum got a mini massage too, of course. The definition of gentle giant. He was the goodest boy!

“ We came to meet baby Magnum he was the biggest puppy we ever saw and loved his name. He was so gentle and loving. I'm so glad you were blessed with such a wonderful companion, son, friend, soul mate, lap dog, window watcher, travel buddy, shotgun rider in the jeep. Go to the barn with you and thang out. He was Just everything. ❤️

“ I loved days at the barn when him and Tucker would run around and play! Also when I would bring Tucker over for some puppy play dates. Magnum was such a fun, loving, sweet big boy.

“ *I remember when he was a young pup and you sprayed hair spray and he went running into the other room because he didn't like it! Such a cutie. Thinking of you Tabby.* ”
