

Maize Branham

January 6, 2012 - July 29, 2021

Our sweet angel baby left this world July 29, 2021. Maize Branham 9 years old. Maizey-Sisa- Maizey Tasey-Tator Tot- Mae Mae.

Maize was a very special girl and anyone she let in felt it. The love she gave was beyond measure. Maize loved her babies. She was so proud to bring them to us, so we would tell her she's a good girl and give her so much praise. She loved adventures...corralling cows and geese. Watching the deer and seeing the river otter in our creek last week for the first time. She was so brave, inquisitive, and so fast. She loved her special treats from daddy. Cabin trips just for her to have the best times. Her special chair will sit empty, her favorite toys left untouched, but she will be part of our home and family forever. She is the absolute best girl.

Maize is survived by her momma, daddy (her most favorite person in the whole world), and her litter mate best friend and brother Blu. Please hug your babies often and tell them how much you love them because it's never enough time.
