

Mr. Man in Pants

June 1, 1997 - June 30, 2016

Mr. Man in Pants was born in June 1997 in Salamonia, Indiana and passed away on June 30, 2016. His parent's name is Brittney Kirtley. Mr. Man in Pants had fur siblings that included Spazz Kitten, and Charles. He also had a grandmother Laurie Loyd, his aunt Avery Loyd, and his friends: the Cornfed Derby Dames. His favorite toy was a laser pointer, and he also enjoyed activities such as drinking from the toilet bowl, chasing the laser light, and snuggling with everyone. He disliked having his ears messed with. His favorite place to sleep was with his momma. He enjoyed eating salmon flavored "Catty Shack" treats. The favorite memories of Mr. Man in Pants were following everyone into the bathroom and and meowing. There was one time Middlers brought a live bird in the house as a gift. He had the most perfect black tail with a single white ring at the tip. He was the most relaxed, friendly, loving cat and every memory no matter what was cherished.
