

Matilda "Mattie" Durham

June 3, 2004 - April 27, 2018

Matilda "Mattie" Durham

Mattie passed away unexpectedly Friday, April 27, 2018. She was born on June 3, 2004 with the prettiest yellow eyes.

When she was a puppy, she would sleep on the back of my neck. She loved people and giving lots of kisses. Mattie and I tried obedience training but I believe I was the only one that was trained. She did know a couple of commands but would get confused. If she was told to sit, she would lay down.

Mattie was never one for dog treats. She would much rather have human food and would bark relentlessly until she got it. Her favorite treats were Rice Krispie treats. She hated her food. She had to have it mixed with chicken or hamburger. She would get even with me for making her eat it by leaving food all over the house for me to step on.

Mattie's favorite thing to do was go bye-bye. She loved to be able to "hunt" and smell. She loved hunting rabbits. She would eat their poop even if it gave her a belly ache.

I will forever miss my Mattie girl. She was the best friend anyone could have had. I was fortunate enough to be part of her pack. Her pack included her mom, Amy. Her grandparents, Gary and Diane. Her cousins, Aden and Owen.

Her aunt, Jayne and her fur best friend, Annabell.

Run and hunt baby girl. I'll meet you at the rainbow bridge one day.

DI

“ *We all miss Mattie very much. She lived 14 great years. She was a spoiled dog but loved it when grandma and grandpa came to see her. I hope her and Lucy and Katy are running and jumping.* ”
