

Maui Milligan

October 15, 2021

Maui ("Mow Mow") Milligan was born in October 2009, and passed on October 15, 2021. She is survived by her pet parent, Angela Milligan; Aunt Tabetha; Nanny Neena; and pet siblings: Xander, Iris, Rose, and Moon. Special family and friends are: Cynthia (aunt); Arionna, Alyssa, and Kaleb (cousins); and Charles (papaw).

Maui loved to play with her strings and bells. She loved to relax outside in the sun and sleep. She loved eating her Meow Mix with lactose milk. Her least favorite things were other cats. She loved sleeping on the kitchen chair, and in my room.

Favorite memories of Maui: The first day we found her. She was in the alley behind our house, ran from us, and then stopped like she wanted help. We took her in, fed her, and she became part of our family. Maui was loved. She was an amazing cat. She loved to be cuddled and held.
