

## Max Mueller

November 15, 2012 - February 13, 2022

Max ("Maxie", "Maxers") was born on November 15, 2012. He was adopted on January 10, 2021, and passed on February 13, 2022. He is survived by his pet parent, Karla; human siblings: Jonas and Sydney; and pet sibling, Poptart (his beagle "little sister"). Max loved everyone and everyone loved him. Max was a kind and gentle friend to every person he met.

Max wasn't into toys - he preferred spending his time next to people. His favorite activities were getting brushed, belly rubs, laying in the hole he dug in the flower bed outside on hot days, and laying in the sun on the deck with Poptart. (There was nothing he didn't like.) His favorite place to sleep was either the rug next to the couch, or his bed close to Poptart.

Max was a gentle, special soul. He came into our lives by surprise and every day that we were fortunate enough to spend with him was a joy. He was a loving companion to his mom and was always by her side taking care of her. He brought such unconditional love and happiness to us all and was a great big brother to Poptart. We all love and miss him tremendously. His absence has left a hole in all of our hearts. There will never be another Max.
