

Maximus King

February 28, 2015 - March 25, 2022

Name: Maximus ("Max", "Maxi", "Maxi-Mo", "Bubba", "Bubs", "Mister") King, was born on February 28, 2015, and passed on March 25, 2022. He is survived by his pet parents, Sean & Lori King; human siblings: brothers, Braydon & Mason, and bonus sister, Ica; and pet sibling, Coco Bean. Other family & friends are: All of our family and friends loved Maximus beyond words can express. Anyone that met him, fell in love with him. He was so goofy and loved his family and was always ready to play or go for a walk.

Maximus loved to play tug and chase balls. He also loved to take the stuffing out of toys. His favorite activities: Being with his family, going for walks and when his brothers lived at home, he loved to play basketball with them. His least favorite thing: He was terrified of rain and storms and did not do well with change. His favorite place to sleep: He had beds in several rooms of our house as well as the garage when he was out there with dad. But would also sneak on mom and dad's bed when they were not looking.

Favorite memories: Maximus was such a good boy and extremely loyal to his family. He would not dare get too far from them and always followed the rules. He knew his routine and did not like it when that would differ. He loved to roll on his back on the concrete patio and would make 'Chewbacca' sounds when doing so. He knew when mom grabbed her tennis shoes, it was time for a walk and would get so excited. Our ultimate memory of Maximus is him telling

mom and dad good night when we went to bed -- he would go to each side of the bed and let us know he loved us before we all went to sleep. He loved his girl, Piper in which she also recently passed.

He will be dearly missed dearly by his family and friends. This was an unexpected loss for us, but we know he couldn't go another day without his girl Piper and I am sure she was happy to see him.
