

Maya Winger

June 25, 2023

Maya Winger was adopted in August 2009, and passed on June 25, 2023. She is survived by her pet parent, Jenny Winger; Katie Runnels- friend, nurse and companion. Brothers John Winger/Kristen Winger and Kyle Runnels- cared for her 2015-2017 while mommy was serving PC overseas.

Maya's favorite activities were laying in the sun, watching the birds, brushes and treats, sitting with her human friends, mornings. Her favorite place to sleep was curled up next to her mom.

The sweetest little girl and my best friend. A fighter until the end. Even through the last difficult 7 months, she never gave up and was determined to stay near her human companions until the end as she battled cancer. We love her and will miss her.
