

## Mayhem Watkins

August 22, 2009 - August 30, 2017

Mayhem "Bubba" Watkins, 8, passed away on August 30, 2017. He was born on August 22, 2009 in Hagerstown, IN.

He loved to go for walks, car rides, play with the hose, chase our four-wheeler, and to play hide-n-seek. Mayhem also loved to eat! He would eat anything from a salad to Red Lobster; however, he did not like to be told "NO". His favorite place to sleep was in everyone's bed beside his own, and he liked to play with his favorite toys including his basketball, football, and laser light.

Mayhem is survived by his loving human family; Ricky, Kamren, April, Dave, Floyd, and Howard; and his pet family, Jack, Kalleigh, Terror, Havoc, and Keinai.

"We will always remember when he was first born, when he first popped a basketball, and him chasing his tail for no reason even though he could never catch it. Mayhem was always entertaining even while sleeping! He was so lovable to everyone, and you knew when he wanted something because he would give you that certain look! Mayhem never had a worry in the world."
