

## Mikey Pollack

November 18, 2008 - October 15, 2020

Mikey Pollack, beloved miniature schnauzer of Scott and Francie Pollack, passed over to the Rainbow Bridge on October 15, 2020. Our precious boy was born November 18, 2008, in Fort Wayne, Indiana.

Our granddaughter, McKenzie, held him on his first car ride to his forever home to Fishers, Indiana. He loved his sister, Kellie, and grandchildren, McKenzie and Ethan, who adored him. My handsome boy brought so much energy, light, love and joy to our home. He helped his dad, Scott, through his cancer recovery, and was my rock and best friend.

Being blind never stopped him from doing anything. He loved going on walks with his dad to the soccer field, and walks in the neighborhood on cool, sunny fall days.

Mikey loved visiting family and traveling to Georgia. He loved celebrating birthdays and wore his birthday hat with pride. Baby carrots and dried sweet potatoes were his all-time favorite. His favorite toys, "Mr. Bill" Monkey, Newspaper, and pillow are still on his bed. Our boy Michael, the house is so still and lonely without you now.

You were so smart, stubborn, loyal, sweet and loved us unconditionally. We have peace in our hearts that you're romping in the field across the Rainbow

Bridge and you can see once again, my sweet love.

We will always love you forever Mikey.

Love Mom, Dad, Kellie, Kyle, Kenz, Ethan and fur family Lily and Bleu
