Millie, you have put so much joy in our life, but it was time for you to go over the Rainbow. We will take care of your little brother. We love and miss you so much.

Let your Mommy know she did what was best for you so that you wouldn't continue to suffer. Your Aunt Sheri will remember you because you wouldn't stop barking at her when she came to visit! But it was Ok cause I already knew you were protecting your Mommy!! Run free now from all pain over the*
