

Misty Heft

October 4, 2021

Misty Heft passed on October 4, 2021. She is survived by her pet parent, Timothy Heft. Her other special family member is Untle Wirt.

Misty's favorite toys were the red dot and Barold the stuffed dog. Her favorite activities were sleeping, watching the birds, and snuggling with dad. Her least favorite things were plastic bags. Her favorite place to sleep was on or next to dad.

Favorite memories of Misty:

All of it - every time I pet her, every time I picked her up, every time she yelled for food is a precious memory I'll hold in my heart. She'll always be my best friend and I'll always love her.

Every breath you take is a good one, and the next one will come easier.
