

Misty Blue Humphrey

October 8, 2005 - February 9, 2018

Misty Blue was born on 10 08 2005 in Great Falls MT. and started her journey across the Rainbow Bridge on 2 -9-18.

She is greatly missed by her mommy ,her Auntie Reeko and brother Magnum (Hound dog) sister Beanie (Dachshund) and nephew Niles (Schnoodle) .

Her Mommy was looking for a kitty at the animal shelter and Misty Blue picked her ,by walking up to her ,cuddling around her legs and letting herself being picked up . The finishing touch was putting her paws on Mommys check and kissing the tip of her nose.

With a new name and being greeted happily by her new brother and sisters she

was in her for ever home

Her favorite pastime was sitting on a sunny day on a limb in a Chestnut tree. Never bothered the birds or any wildlife ,just sat there and watch her family in the garden. Also became Beanies nanny ,when Beanie , a tiny puppy at the time ,joined our family . She would wash her face and gently play with her.

Least favorite ,getting a bath.

Favorite toys ,any thing filled with catnip and any loose sock .She would carry them around and meow loudly.

Also loved sleeping in the sunshine by a window . Also was a very tender Nurse when someone in her family was not well. she would lay by theyre side and purr and massage with her little paws. Misty

Blue you where a true blessing to all of us and we will love you forever.
